Class I

Dear Parents

We believe that strong Vocabulary is essential for effective communication and Comprehension. Keeping this in mind we are introducing an integrated Vocabulary word list.

- These words have been taken from the different subjects being taught to the child and are to be used by all the subject teachers for familiarity and comprehension.
- We encourage our parents to use these words in their day to day conversation.
- Together we can empower our students to become confident and articulate communicators.
- These list of words will be provided monthly in the class WhatsApp group and Google Classroom for your reference.
